### Join a unanimous La Habra Heights City Council in voting YES on Measure \_\_.

Because of a state mandated ceiling on city expenditures, this ballot measure to increase the City's Gann Limit comes before the voters every four years for approval. The voters have approved this measure each time it has been placed on the ballot. It must pass once again or city services, which directly impact the quality of life throughout our city, could be cut.

Put simply:

- Measure \_\_ does not raise taxes
- Measure \_\_ does not create new taxes
- Measure \_\_ does not cost you one cent
- Measure \_\_ enables the City to spend 100% of tax proceeds

When the La Habra Heights Fire Tax was adopted in 1997, voters needed to raise the City's Gann Limit by the proceeds of the tax and have reaffirmed this every four years since. Measure \_\_ simply increases the Gann Limit for another four years.

Voter renewal of the Gann Limit override has allowed us to have our own Fire Department and to provide outstanding service at a fraction of the cost borne by other cities.

Please retain these life-safety services at current levels by voting YES on Measure \_\_.
